**Biltmore Kitchen and Bar** (290 Eighth Avenue, 212-807-0111): This month marks this opening of the latest from Gary Robins, the man behind such past favorites as Aja, Match, and Mi. Though the menu wasn't perfected as of press time, with a lounge and kitchen that's open till 4 a.m., we're sure this place will be perfect for a late-night nibble along with ambience created by NYC feng shui master Jenfer Ellen Frank.
